March 26, 2020

Dear Florida Union Free School District Community,

We, the Board of Education of the Florida Union Free School District, want to acknowledge and thank our entire faculty, staff and administrators, along with the greater community for all the support and cooperation they are providing in this challenging and difficult time.

Our teachers and the Technology Department have stepped up with remote learning opportunities, staff members have pitched in with volunteers for providing ongoing food service, and our Superintendent Jan Jehring has shown exemplary leadership in communicating and supporting efforts of everyone involved. We also want to acknowledge the extra efforts of Howard Cohen in the Business Office, Tom Andryshak in Facilities, Cindy Wood in Food Services and their respective departments.

The Board is monitoring situations with regular updates from administration, and sharing information that may be pertinent to the District as we continue with budget and planning processes, and we will be meeting remotely for the next few weeks.

Again, our deepest thanks to the FTA and all of our support staff for their continuing hard work, and our best wishes for everyone to stay safe and healthy. And don't forget to wash your hands often and thoroughly.

Sincerely,

FLORIDA BOARD OF EDUCATION
John T. Redman II, President
