

FLORIDA UNION FREE SCHOOL DISTRICT

Computer and Networked Information Resources Student User Agreement

I, the undersigned, agree to act responsibly and comply with all rules and regulations promulgated by the Florida Board of Education regarding the use of District computers and networked information resources (including the Internet).

- *Students are only allowed to have access to District computers and/or networked information resources (including the Internet) under the direct and immediate charge of a supervising adult who must be present during the entire duration of the process.*
- *Students are only allowed to use District computers and/ or networked information resources (including the Internet) for school related research and/or communication.*
- *Students must use the appropriate language and etiquette in electronic transmission and information searches and must not give out personal information and e-mail addresses unless approved by a supervising adult.*
- *Students are not allowed to download or upload computer programs or files without permission from a network technician.*
- *Any student who receives any communication that is inappropriate shall immediately bring the incident to the attention of the supervising teacher or administrator.*

Any person who is determined to have used computers and/or networked information resources (including the Internet) inappropriately or who violates the District's Policies and its Regulations will have his/her use of school computer privileges terminated. Further, such a breach may be subject to user to disciplinary action consistent with the Student Code of Conduct and state and federal law, and may result in the user being referred to appropriate law enforcement officials where the breach is suspected to be illegal.
